ODE TO A 20th CENTURY ROBIN HOOD

Says that super symphonian sage Black
All good board members have a bare back
After giving their shirts
And their skirts till it hurts
Now they're waiting for Ralph's next attack.

Personally, dear Ralph, I love your "More Black Notes",
but my board members have a warrant out for your arrest.

I trust you received the souvenir program of my eightieth
birthday celebration when I sent in my order for your
book. I shall be in New York several times this season
at the Algonquin, and also at the String Congress at the
University of Maryland from June 9 through 13. Let me
know whether we will have a chance to meet.

Yours cordially,

Henri Temianka
